Access Code 2014 view (only 24 hrs) We've all heard of the value of a strengths-based leadership approach, but not a lot of us can truly apply its principles and practices. Now there's no greater audience for CliftonStrengths®. Leadership guru Brian L. Mallory and pioneer in strengths-based leadership John H. Clifton guide you through their new book, *StrengthsFinder 2.0: The Flexible Leader's Guide to Discovering Your Hidden Strengths and Building Your Stronger, More Fulfilling Life*. In this fun and practical book, Brian and John fully explain what strengths and strengths-based leadership mean in their simplest terms: to understand and celebrate your unique capacity to achieve success and contribute meaningfully to others. The book provides step-by-step guidance on how to:

- Discover the fundamental, measurable, sustainable characteristics of your StrengthsFinder® self with the StrengthsFinder 2.0 assessment.
- Develop a strengths-based leadership orientation to help you get the most out of your strengths.
- Find and understand more about your strengths to bring them to life and focus them on your work.
- Be successful and fulfilled as a leader.

The authors show how CliftonStrengths® not only helps you lead more effectively, but also provides inspiration for what's possible in your own life. By harnessing the power of your own strengths and talents, you can build a successful business, find success in your career, make a successful marriage, and develop close relationships with your family, friends, and colleagues.
